## September 1 - 7, 2008

Our fourth annual group trip to Walt Disney World in Orlando, Florida

How to get the Disney Magic *Your Way*:

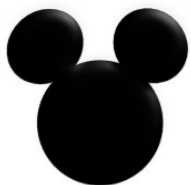

FIRST,

1. Choose your Disney owned, onsite resort – you can stay up to 14 nights at a Disney-owned onsite property.
2. Choose your Disney Theme park tickets - customize your tickets to reflect *your* families' needs.
3. Choose your Disney Dining Plan - We'll teach you how to save money and *still* enjoy character meals and fine dining!
4. Submit your information on the registration page of [www.theultimatefieldtrip.com](http://www.theultimatefieldtrip.com).

THEN,

1. One of our team will contact you with the details of your reservation - under a 14 day courtesy hold.
2. You will look over your reservation, make sure every detail is just as you would like it to be, then apply your \$200 deposit (per room).
3. We begin the process of walking you through your dining choices, including special dining experiences created just for UFT.
4. The remainder of your package price is due on July 10<sup>th</sup>, and your deposit is fully refundable until you make that final payment. Everything but a portion of your deposit is refundable until you travel. We do recommend insurance for life's little hiccups, but rest assured that we will do everything we can to secure a refund for you in a timely manner. Be sure to read the terms and conditions on your reservation hold for more details.

**We are the only group trip that will continually research available Disney Discounts and rebook you to reflect the lower price and any available complimentary upgrades.**
