

Because homeschool isn't about missed opportunities!

AT WALT DISNEY WORLD

NATIONAL
GRADUATION
HOME
SCHOOL

Beginning annually in May 2010

This is the only event of its kind and it's planned by homeschool family - owned [3D Travel Company](#), in our 5th year of planning trips for Homeschool families from across the United States and the world. We're partnering with Disney for this one of a kind event and you are eligible to attend no matter which state you live in or how you homeschool!

Your graduation package includes:

[Disney Resort Accommodations](#) - We'll have a block of rooms set aside for our group at onsite Disney resorts. You can stay as few as 2 nights and up to as many as you would like. This is a weekend event with the option of extending your stay.

[Cap and Gown for each graduate](#) - you will pick up your cap and gown, along with optional items listed below, when you check in at your resort.

[Commemorative Program for each person attending.](#)

[Baccalaureate Breakfast](#) - You'll enjoy a traditional Baccalaureate with the added luxury of a full breakfast. This will occur on the morning of the graduation which means your family and friends have the option of coming in for two nights and one full day and participating fully in this special event (see schedule below). Each graduates family will have the option of participating in our walk through display - a living yearbook for all to enjoy that gives each graduate an opportunity to shine on their special day.

Graduation Gala - We'll have a **private area in Epcot's World Showcase** just for our event. Our evening will open with a **traditional march** to Pomp & Circumstance followed by a brief but lovely ceremony acknowledging each graduate in turn onstage. Each family will have the opportunity to make this a special moment for their child by working with us ahead of time to honor them. The ceremony will be accompanied by a **dinner catered by Disney chefs** followed by special escorts taking our entire group out to view the evenings fireworks display, **Illuminations, in our own private viewing area**. After Illuminations motorcoaches will be standing by to return those who choose to depart for the evening. Disney will provide escorts in and out of the back of the park to accommodate those who choose not to purchase park admission or who aren't up for all the walking. We don't want to leave anyone out! For those remaining, particularly the young and energetic, **we'll turn up the family-friendly music and keep the appetizers and soda fountains going for a full celebration!** Parents can feel comfortable if they choose to leave their graduates and siblings to dance the night away as they'll be returned via Disney motorcoach as a group. Everyone is welcome to stay for the entire Gala and anyone who is ready to leave after the fireworks will feel comfortable with that also. This is an event for anyone and everyone.

Optional Park Tickets - You will have the opportunity to purchase discount tickets for everyone attending with you.

Optional Graduate Accoutrements - From keepsake tassels to Invitations and rings, we'll have everything available to make this a full event for your graduate and family.

Graduation Weekend Schedule:

Friday Evening - Check in at your Disney resort and spend the evening greeting family and friends attending. Graduates will have rehearsal practice this evening and will pick up their caps and gowns.

Saturday Morning - Baccalaureate Breakfast and Living Yearbook Display

Saturday Evening - Graduation Gala

Sunday Morning - Depart for home or opt to stay for a Disney vacation planned to accommodate your family or group. We can also provide you with a list of area churches to attend if that is your desire.

Pricing for 2010 will be announced in May of 2009!
