- 🎓 Full Graduation Processional, Walk and Dance included
- 🎓 Breakfast Baccalaureate in Epcot
- 🎓 Option to stay in a Disney resort and discount tickets – or not!
- 🎓 Be pampered by a homeschool family owned 3D Travel Company
- 🎓 With five awesome homeschool families available to meet your needs

May 9, 2010

How to get the Disney Magic *Your Way*:
FIRST,

1. Find the link on our homepage where you can purchase your tickets for the Graduation, the Baccalaureate and your discounted Disney Park Tickets.*
2. After your payment is received, we will contact you with a variety of options for your stay. This is also our opportunity to learn more about your family and their particular needs during the graduation events.
3. After your plans have been finalized, you will be contacted to set up a phone appointment with David or Carol Beth Scott for your personalized tribute to your graduate which will be viewed onscreen during our afternoon buffet. We will also work with you to plan the commemorative diploma, your family's seating preferences and how they are introduced and included in the program.
4. On March 1, 2010, we will finalize our count and begin processing tickets. Until that time, everything is completely refundable. We require a minimum of 10 graduates to hold our event, so do your part to spread the word! As we receive payments along the way, we will send out updates on the number of graduates we have so you can know how it's going. However, March 1st is when you can begin to book your airfare and finalize the rest of your plans.
